WHITE CITY RESORT HOTEL

Passion for Hospitality

White City Rituals

A Premium Experience of a 5 star boutique holiday, entertainment, exceptional treatment and a variety of magnificence tastes at the heart of Turkish Riviera. Combining Turkish hospitality and luxurious comfort, enjoy the journey.

Rooms

Guests at White City Resort have a choice of the finest things in life in the lavish comfort. Private atmosphere, fabulous architecture derives an unforgettable holiday. All rooms have contemporary furnishings, large windows to let in natural light, and are timeless in ambience...

Eat & Drink

We embrace the Mediterranean diet not just a culinary mode but as a lifestyle. Fresh, regional ingredients define our simple and modern approach in the kitchen. Reflecting the belief that we are what we eat, our confident cuisine aims to physically energize, appeal to the senses, and nourish the soul.

Pool & Beach

White City Resort sets on a peninsula at one of the very rare locations on Alanya offering exotic Mediterranean views across the sea, horizons of blue mix with yellows. Contemplative solitude on a sunbed or wooden cabana, our coastline is welcoming place where time relents.

SPA

The White Sense Spa gives our guest's a chance to relax and revitalize their body and mind with aromatic herb and essences. It offers a wide range of soothing treatments and therapies, including couple's massage and invigorating body wraps.

Entertainment

Spend the beautiful warm evenings under the Turkish sky, enjoy professional shows at our theater, and themed parties with friends. This is how we want to see our guest's happiness. Also, while our little ones are sleeping peacefully, our guests can dance the night away.
