

The Mirage Resort & SPA 5*

South Hammamet, 1st coastline. Meals: All Inclusive (AI)

THE HOTEL

It's a high quality hotel with a special atmosphere. The hotel can definitely be recommended for large families with children and big groups of friends who want not only to travel together but to be accommodated together as well.

The green hotel territory is, without exaggeration, huge and well thought-out. The total area is 30 hectares while the total number of rooms is just 322. There are excellent bars and restaurants in the hotel. In an a la carte restaurant guests can feel the local color by trying Tunisian dishes.

In 2019-2021 the hotel underwent major renovation that included the renovation of the rooms, enlargement of the reception area, the renovation of the main restaurant and the remodeling of the lounge bar on the beach to make it an All Inclusive restaurant.

CHANGES OF THE LIST AND TERMS OF PROVIDED SERVICES

- In Tunisian hotels the Open Space service (serving the clients outdoors) is usually provided from 01/06 till 30/09. The actual schedule correlates with weather conditions.
- The mandatory air conditioning period in Tunisia lasts from 15/06 to 15/09.
- The hotel reserves the right to change the list and terms of provided services before the start of the season, and even during the season, in accordance with current circumstances if these circumstances don't affect the conditions of tourists' stay significantly.

TOURIST TAX

- According to the law of the Tunisian Republic which came into force on December 8, 2017, tourists traveling to Tunisia must pay a hotel tax on arrival to the hotel.
- The tax is 3 TND per person per night in four- and five-star hotels, 2 TND per person per night in three-star hotels, and 1 TND per person per night in two-star hotels.
- The maximum number of nights the tax can be charged is seven, so customers staying longer than seven nights will only be charged for the first seven nights of their stay. If tourists stay in a hotel for less than a week, they pay only for the actual number of nights.
- Children under 12 are exempt from paying the tax. If a child turns 12 in the first week of a hotel stay, from that moment the tax is charged for the number of nights remaining till the end of that week.
