

Residence Mahmoud 3*

South Hammamet, 2nd coastline. Meals: Bed & Breakfast (BB), Half Board (HB)

THE HOTEL

It's a best seller for the last 15 years, a small oriental-style hotel for a budget holiday. All standards of cleanliness are properly maintained. Beautiful interior is complemented by antique furniture. The hotel features well-equipped rooms which is not quite typical of 3-star hotels.

It's a very budget-friendly and an attractive accommodation facility, the best option for those who are going to go on guided tours a lot and try national cuisine in local restaurants.

There are some important facts that should be taken into account while booking the hotel. The hotel is not recommended for families with little children (the territory of the hotel is very small, there's no children's menu and any other child-friendly services) and people with musculoskeletal disorders, such as problems with joints, knees, etc. (the hotel is located on the second coastline, it takes about 5-10 minutes to get to the beach and a 4-storey building is not equipped with an elevator).

CHANGES OF THE LIST AND TERMS OF PROVIDED SERVICES

- In Tunisian hotels the Open Space service (serving the clients outdoors) is usually provided from 01/06 till 30/09. The actual schedule correlates with weather conditions.
- The mandatory air conditioning period in Tunisia lasts from 15/06 to 15/09.
- The hotel reserves the right to change the list and terms of provided services before the start of the season, and even during the season, in accordance with current circumstances if these circumstances don't affect the conditions of tourists' stay significantly.

TOURIST TAX

- According to the law of the Tunisian Republic which came into force on December 8, 2017, tourists traveling to Tunisia must pay a hotel tax on arrival to the hotel.
- The tax is 3 TND per person per night in four- and five-star hotels, 2 TND per person per night in three-star hotels, and 1 TND per person per night in two-star hotels.
- The maximum number of nights the tax can be charged is seven, so customers staying longer than seven nights will only be charged for the first seven nights of their stay. If tourists stay in a hotel for less than a week, they pay only for the actual number of nights.
- Children under 12 are exempt from paying the tax. If a child turns 12 in the first week of a hotel stay, from that moment the tax is charged for the number of nights remaining till the end of that week.
