**Find serenity at the new adults-only hotel in Belle Mare**

NEW 4\* ATTITUDE HOTEL

## **FACTSHEET**

2022-2023 • Applicable as from 1<sup>st</sup> November 2022 to 31<sup>st</sup> October 2023

## POSITIONING

The new Sunrise Attitude faces one of the most beautiful beaches in Mauritius at Belle Mare, located along the preserved east coast. It's known for its miles of white sand and stunning turquoise lagoon.

This new 4\* hotel is reserved exclusively for adults and is a serene hideaway, taking design inspiration from the beautiful surroundings: the terracotta and mustard gold earth tones, the leaf green and glimpses of blue. Arrive and gaze over the ocean, which is just across the road, taking a deep breath of fresh, sea air.

In the architecture, we've used wood, stone and thatch; and decorated with a perfect blend of local materials. These include raffia and rattan, plus terrazzo and graphic effects created with ravenala and coconut leaves. We want to support the local economy and community, so the furniture and decorations in our hotel are made locally, wherever possible.

The new Sunrise Attitude has integrated the 61 rooms and hotel spaces of Émeraude Beach Attitude, creating a bigger and better retreat consisting of 145 rooms and 8 villas, each with a private plunge pool. The new hotel also features swim-up rooms, offering direct access from your terrace into the swimming pool.

Sunrise Attitude is a place to forget what the time is, revive yourself at Spa POZ and reconnect with nature. Live to the rhythm of the tide, the exceptional sunrises and the full moon.

## 4\* HOTEL

Our dine-around experience allows you to choose between three restaurants on a half-board basis. The Social House, the restaurant-bar, opens from 6pm and is the perfect spot to listen to a live DJ mix some chilled-out music. The main restaurant has the spirit of a marketplace and a friendly welcome; and Kot Nou is our signature restaurant, introducing you to the island's authentic and varied flavours – with a modern twist.

Sunrise Attitude offers a holiday with a Positive Impact. We have banned all single-use plastic from our guest experience; introduced a Bulk Shop so you can help yourself to tea and coffee for your room in reusable glass jars; and our supplies are local wherever possible, ensuring you get the freshest and most sustainable produce on your plate.

During your stay, enjoy non-motorised watersports in the clear lagoon and don't miss discovering the local culture through our Otentik Experiences. These include the chance to have dinner with a local family in their home, or discovering villages that are off-the-beaten track via our free mobile app. You can also learn about our culture by chatting to our friendly Family Members – they are all local Mauritians and ready to tell you about our beautiful island! Personal service and our warm welcome will mean you can have a carefree holiday, whether you are travelling solo, as a couple or with friends.

## ATTITUDE COMMITTED TO TOURISM WITH A POSITIVE IMPACT!

What is Attitude? Attitude is a collection of eco-committed hotels that has been awarded both a 'Made in Moris' accreditation and a **Travelife Gold certification**. We have earned these accolades because we are committed to preserving the environment and supporting the local economy and community in Mauritius, the one that warmly welcomes you!

## ✕ Zero single-use plastic

Staying in one of our adults-only or family-friendly hotels means your holiday is making a positive difference. We use **no single-use plastic in the guest experience** and you can visit our **Bulk Shop** to stock up on local tea, coffee, sugar and snacks in reusable glass containers.

On arrival, you'll be given a **Dopper© reusable water bottle**, a brand committed to the fight against plastic pollution (just like us). Use it during your holiday and fill up at the free water fountains around the resort or at the bar.

## Time to press pause !

Come and relax at spa POZ. Enjoy treatments based on our ancestral traditions, inspired by all four corners of the world. The ingredients we use are of **local or regional origin – and natural**. They include moringa oil, neem leaves, pure coconut oil and Chamarel coffee beans! **5% of each product purchased at spa POZ is donated to the Green Attitude Foundation**, which helps fund sustainable development projects here on the island.

## Local products

You'll find local products everywhere at Attitude Hotels, from the decorations in the rooms to the produce you find on your plate. You can try local dishes at **our signature restaurant, Kot Nou**, or even pick up some **street food** in our colourful **Taba-J** trailers. **Teabaz, our tea bar**, is also the place to try locally-grown tea flavours such as sweet vanilla or passionfruit and mango. These teas are produced by a local company called Corson and are well-known by all Mauritians!

## Otentik Experiences

When you're ready to discover the island, download the **Otentik Discovery app**. You'll find walking and cycling tours taking you off the beaten track to meet locals and discover hidden gems. During your stay, you can also book dinner with a local family in their home. Just one of the **Otentik (authentic) experiences** from Attitude.
