POSITIONING

Tropical Attitude is an adults-only 3*+ boutique hotel on the east coast of Mauritius. It fringes a tranquil lagoon in the peaceful fishing village of Trou d'Eau Douce, with a free direct shuttle to the paradise beaches of Ile aux Cerfs.

Inside, the style is typically Creole, while fresh licks of white paint and earthy shades of yellow and green give it a modern edge. It has a holiday home feel to it, and the atmosphere is super relaxed. There are 58 seafront rooms and 11 chic villas, each with their own private pool and garden.

Life is slower here and days can be spent lazing by the lagoon, enjoying siestas under coconut trees and trying out local Otentik experiences, such as having dinner with a local family. Kot Nou restaurant has a menu of traditional Mauritian flavours, and the hotel has also opened up a rooftop lounge area kitted out with Balinese-style sunbeds. Another idyllic chill-out spot is the new Spa POZ.

The personalised service and kindness of the staff, known as Family Members, have a big impact on the gentle way of life at Tropical Attitude.

3*+ HOTEL

Tropical Attitude is part of Attitude Hotels' Positive Impact movement, creating a future where travel benefits all. Because of the hotel's continued efforts to care for the local community, protect the environment and support the local economy, Tropical Attitude has been awarded a Travelife Gold certification. There is no single-use plastic in the guest journey. Supplies and product are local wherever possible. The hotel has also its own Bulk Shop, where guests can help themselves to tea and coffee for their room in reusable glass jars.

Positive impact

Now is the time for action. For positivity. To create a **future where travel benefits all**.

There is always room to grow, new goals to achieve, so Attitude Hotels has launched a **Positive Impact movement**. We're joining forces with our business partners and our guests to form a collective force for good.

OUR 3 COMMITMENTS

We protect
our environment

We support
the local economy

We care about the
local community

To commit ourselves is important, but to act is even better! We have removed **single-use plastic** in our guest experience, and introduced a **Bulk Shop** so guests can help themselves to tea and coffee for their room in reusable glass jars. We use **seasonal and locally-grown produce** for our dining wherever possible; and only offer **non-motorised watersports** for a peaceful and marine-friendly experience.

We also encourage guests to learn about the island's culture through our **Otentik (authentic) experiences**. This could be having dinner with a local family; meeting locals in fishing villages where time seems to have stood still; or discovering the eclectic street food scene in the capital of Port Louis.

When our guests relax in their Attitude hotel, they can unwind in beautiful spaces with furniture and decorations made right here on the island, **helping support our local economy**.
