

GENERAL CONCEPT

2024 / SUMMER

Calista is a young woman who was named after a queen in mythology. Calista is proud of her beauty and ventures everything to make her beauty immortal.

Eventually, she gets what she wants. Calista starts to shine with a beauty that will make goddesses envious, and she devotes herself to doing good by combining her exterior beauty with the beauty of her spirit.

Calista's soul was too beautiful for her to remain a mere mortal: Calista is a goddess of beauty, and she reflects that pure beauty. Calista, flawless beauty, the Goddess of Beauty...

The image shows an outdoor dining area at a resort. In the foreground, several tables are set with white tablecloths and red runners. Each table is equipped with glassware, silverware, and a folded white napkin. Wicker-style chairs are arranged around the tables. In the middle ground, a large, clear blue swimming pool is visible, with lounge chairs and closed patio umbrellas along its edge. The background features a modern, multi-story building with a curved facade and large windows, surrounded by lush greenery and palm trees. The overall atmosphere is serene and upscale.

TOURISTIC PLACES TO VISIT

Aspendos Ancient City – 22 km

Aspendos, located in the Serik district of Antalya, fascinates its visitors with its elegant amphitheatre and other ancient remains. It is one of the most remarkable and well-preserved Roman structures in the world.

Perge Ancient City – 24 km

Perge, the magnificent ancient city, is situated in the centre of Antalya's beauties. It is 2 km far from Antalya - Alanya main road and 15 km far from Antalya city centre. Visitors can see some of the ongoing excavations on the site.

Kurşunlu Waterfall – 30 km

Kurşunlu Waterfall is a one-of-a-kind place in the centre of nature, with a waterfall that connects seven ponds and falls from a height of 18 meters. In terms of lush plants and various picnic areas, it is one of Antalya's most appealing landscapes.

Hadrian's Gate – 39 km

Hadrian's Gate (Three Gates) was built as Antalya's main gate during the reign of Roman Emperor Hadrian (117-138). The gate still exists today in its former glory and is one of Antalya's best preserved historical structures.

Old Town (Kaleiçi) – 42 km

Antalya's old city centre, Kaleiçi, combines the aesthetics of the old with the new. Kaleiçi, located in the centre of Antalya, is one of the city's most visited areas, due to its historical structures, entertainment facilities, hotels, restaurants, and bars.

World's Largest Tunnel Aquarium – 42 km

Antalya Aquarium, which is deemed the world's largest tunnel aquarium, is one of the most active attraction centers of the city. In Antalya Aquarium, you may discover your imagination and have an inspiring trip.

Antalya Museum – 45 km

Antalya Museum or Antalya Archeological Museum in Konyaalti is one of Turkey's largest museums. It is consisted of 13 exhibition halls and an open-air gallery. It has an area of 7,000 m²(75,000 ft²) where 5,000 works of art are exhibited.

Ancient City of Side – 48 km

Side is one of Turkey's best known ancient cities. Side, the name of which means pomegranate, was a port in ancient times. The amphitheater, built on columns, is the largest in the region. Other ruins include the agora, gymnasium, the Temple of Apollo by the sea, fountains and necropolis.

Termessos National Park – 61 km

Mount Güllük (Termessos) National Park is one of Turkey's most spectacular areas, located northwest of Antalya at the foot of the Taurus Mountains. The national park is located 34 kilometers from Antalya's city centre.

Tazi (Greyhound) Canyon – 94 km

Tazi (Greyhound) Canyon is one of the special canyons in the world. The canyon's depth is roughly 650 meters from the natural observation deck you are on.
