RIXOS HOTELS QUALITY POLICY

At Rixos Hotels our guests are at the heart of everything we do. By delivering high-quality products and services, meeting the highest standards of food safety and providing a safe environment for our staff, we seek to win loyal guests who come back time and again.

Rixos Hotels is committed to

- taking environmental factors into account in every aspect of our operations, implementing measures to enhance our sustainability, raising public awareness and protecting bio-diversity;
- operating according to set objectives while continuously improving, providing regular training for our employees, acting in accordance with national laws and international standards, ensuring consultation with and the participation of our employees and employee representatives in the area of occupational safety, reducing occupational safety risks and making a positive contribution to our society.

As Chairman, I fully support this quality policy that will enable Rixos Hotels to become a leader in the global tourism business and I cordially invite all employees to understand, share, and implement this policy.
