Are you looking for a more cultural escape though?

The municipality of Bodrum is where the ancient city of Halicarnassus of Caria once stood. The once home of the Mausoleum of Halicarnassus, one of the 7 ancient wonders of the world. The ruins of this ancient site used to house the remains of Mausolus, ruler of Caria. The term mausoleum comes from this once impressive structure, which is now commonly used to refer to any grand tomb. Halicarnassus was also a city which Alexander the Great laid siege to in 334 BC and where in the 1400s the Knights Hospitaliers built Bodrum Castle with rocks from the Mausoleum of Halicarnassus. Bodrum is thus a fascinating city for any admirer of ancient history and for travellers who enjoy excursions amongst ancient ruins.
