Mahdia, 1st coastline, hotel brand *Iberostar Hotels & Resorts*. Meals: All Inclusive

THE HOTEL

It's a headliner among *Iberostar Hotels* in Tunisia, the hotel is deservedly in the top 5 of the best *Iberostar Hotels* in the world, according to the list announced by the Alliance One group as part of the Special Awards 2021. It also has other prestigious awards, for example, Travellers' Choice for 2021 from TripAdvisor.

The hotel can be recommended for family holidays, holidays with school-age children, as well as for sophisticated fans of thalassotherapy. One of the main advantages of the hotel is its location. Mahdia is a perfect choice for those who are tired of constant stress and negative emotions. Take into account that if you're looking for total tranquility, you should book a sea view room which will guarantee a picturesque scenery and silence that can be broken only with live music after dinner. Otherwise, in the city view room noise from the street can be expected.

CHANGES OF THE LIST AND TERMS OF PROVIDED SERVICES

- In Tunisian hotels the Open Space service (serving the clients outdoors) is usually provided from 01/06 till 30/09. The actual schedule correlates with weather conditions.
- The mandatory air conditioning period in Tunisia lasts from 15/06 to 15/09.
- The hotel reserves the right to change the list and terms of provided services before the start of the season, and even during the season, in accordance with current circumstances if these circumstances don't affect the conditions of tourists' stay significantly.

TOURIST TAX

- According to the law of the Tunisian Republic which came into force on December 8, 2017, tourists traveling to Tunisia must pay a hotel tax on arrival to the hotel.
- The tax is 3 TND per person per night in four- and five-star hotels, 2 TND per person per night in three-star hotels, and 1 TND per person per night in two-star hotels.
- The maximum number of nights the tax can be charged is seven, so customers staying longer than seven nights will only be charged for the first seven nights of their stay. If tourists stay in a hotel for less than a week, they pay only for the actual number of nights.
- Children under 12 are exempt from paying the tax. If a child turns 12 in the first week of a hotel stay, from that moment the tax is charged for the number of nights remaining till the end of that week.
