

# Royal Azur Thalassa 5\*

North Hammamet, 1<sup>st</sup> coastline, hotel brand Azur Hotels. Meals: All Inclusive (AI)

## THE HOTEL

The hotel was reopened in summer 2022 after a major renovation that took 4 years, from 2018 to 2021. Actually, the hotel was totally reconstructed. Not only the indoor areas such as rooms, restaurants, bars and terraces were reconstructed, but the landscape design was changed as well. Décor and style concepts seemed to be great even in the design stage but after the works were finished, they've exceeded all the expectations! The only exception in design is the a la carte restaurant La Kasbah which is preserved in the traditional Tunisian style.

The 5-star hotel with All Inclusive concept offers its guests an outstanding gastronomic experience: thematic dinners are held 3 times a week in the main restaurant, there are 3 a la carte restaurants as well; guests can enjoy Tea Time, wine tasting and try various cocktails.

Accommodation is provided in luxury sea view rooms with Jacuzzi, 2-bedroom family rooms and business suites for those who are going on business trips.

The hotel features 5 swimming pools, including an Infinity pool with a breathtaking view over the Mediterranean Sea, and a thalasso center.

## **CHANGES OF THE LIST AND TERMS OF PROVIDED SERVICES**

- In Tunisian hotels the Open Space service (serving the clients outdoors) is usually provided from 01/06 till 30/09. The actual schedule correlates with weather conditions.
- The mandatory air conditioning period in Tunisia lasts from 15/06 to 15/09.

- The hotel reserves the right to change the list and terms of provided services before the start of the season, and even during the season, in accordance with current circumstances if these circumstances don't affect the conditions of tourists' stay significantly.

## **TOURIST TAX**

- According to the law of the Tunisian Republic which came into force on December 8, 2017, tourists traveling to Tunisia must pay a hotel tax on arrival to the hotel.
- The tax is 3 TND per person per night in four- and five-star hotels, 2 TND per person per night in three-star hotels, and 1 TND per person per night in two-star hotels.
- The maximum number of nights the tax can be charged is seven, so customers staying longer than seven nights will only be charged for the first seven nights of their stay. If tourists stay in a hotel for less than a week, they pay only for the actual number of nights.
- Children under 12 are exempt from paying the tax. If a child turns 12 in the first week of a hotel stay, from that moment the tax is charged for the number of nights remaining till the end of that week.
